

Pouring from the Heart

2008

Some of the school's most enthusiastic donors, alumni and friends helped make the 10th annual Pouring from the Heart gala and auction another huge success. A record 493 guests attended this year's event at the Westin Crown Center Hotel, Thursday, April 3. The crowd, as always, was resplendent in their evening attire and animated by their excited conversation with friends and colleagues.

Emcee, David Naster, entertained everyone with his humor while the Nigro brothers worked their magic again during the live auction. UMKC's Special Patient Care clinic will be awarded \$125,000 from this year's gala. The co-chairs this year were Dan Nielson (DDS '02) and John LaBarca (DDS '94).

Thank you to everyone that attended this year. We hope to see you at next year's event, Thursday, March 26, 2009. ■
