

Another Big Hit

Royals Opening Day

by John Haynes
(BS '56, DDS '60, MA '71)

UMKC School of Dentistry students, faculty, staff, alumni and friends turned out en masse for the Royals' first home game of the season. The Royals beat the New York Yankees 5-2 on Tuesday, April 8. Volunteer faculty, staff, students, and alumni arrived early to get things ready for the 12:30 tailgate party (the game was scheduled for 3:10 p.m.). The rainy and cold weather didn't diminish the enthusiasm of the 325 people in attendance. Thanks to all of those who helped out, and to the UMKC Dental Alumni Association and Proctor & Gamble who have supported this event every year. See you all in 2009! ■

9th Annual UMKC Dental Alumni Scholarship Golf Tournament

The 2008 tournament had a record turnout of 144 golfers, 34 of whom were dental students. With the help of sponsors and donors, the UMKC Dental Alumni Association was able to provide another wonderful day of golf and camaraderie that has made this tournament grow in popularity each year. Because of the generous support of everyone participating, \$23,000 will be awarded in scholarships.

On behalf of Dr. Steve Akimoto, chair of this year's event, and all the members of the Golf Steering Committee, thank you for making this another successful year!

We hope to see you next year, Friday, June 12, 2009, at Shoal Creek Golf Course. ■
