Alumni Award Recipients 2010

Brian Vierthaler (DDS '02)
Young Alum of the Year

After graduating from the UMKC School of Dentistry, Dr. Brian Vierthaler worked as an associate in Platte City, Mo., and North Kansas City, Mo. One year later, he bought a practice located in Grant City, Mo., while working as an associate for Bruce E. Twaddle (DDS '83) in Maryville, Mo. A year and a half later, in 2005, he opened his own practice in Maryville. Presently, Dr. Vierthaler owns and operates two practices — in Grant City and Maryville — that focus on comprehensive general dentistry. “What I enjoy

about dentistry is connecting with people, both patients and professionally,” says Dr. Vierthaler. “I have had the benefit of having a good friend and mentor, Bruce E. Twaddle, help me professionally as well as personally during my career. Working with the MDA and serving as a board member have been a great pleasure.”

Dr. Vierthaler has been an ADA and MDA member since 2002. He has been serving as Northwest trustee on the MDA board since 2008, and currently serves on the MDA committee for public education campaign. He is a graduate of the MDA's Leadership Development Continuum and the 2008 recipient of the MDA's Outstanding New Dental Leader Award. A member of the NW Dental Society since 2004, he served as vice president in 2006-07 and president in 2007-08.

John Nelson Jr. (DDS '82), president of the UMKC Dental Alumni Association, presented Dr. Vierthaler with the award at the Alumni and Friends Recognition Breakfast, held Saturday, March 20, during the 2010 Midwest Dental Conference. The breakfast is hosted by the Rinehart Foundation, the UMKC Dental and Dental Hygienists' Alumni Associations and the School of Dentistry.

Dr. Charles Dunlap (DDS '60)
Dental Alumnus of the Year

Dr. Charles (Charlie) Dunlap serves as the Rinehart Professor of Dentistry and chair of the Department of Oral Pathology, Radiology and Medicine at the UMKC School of Dentistry. He also holds an appointment as professor of medicine at the UMKC School of Medicine. Born in Stigler, Okla., Dr. Dunlap graduated from Northeast Oklahoma State College in Tahlequah in 1956 as a chemistry major. After graduating from UMKC, he joined the Army as an officer in the Dental Corps. He spent a year of study in pathology at the Armed Forces Institute of Pathology (AFIP) on the Walter Reed campus in Washington, D.C. He then spent another year studying pathology at the University of Kansas. In 1964 Dunlap joined UMKC's faculty as an assistant professor in oral pathology. He became board certified in 1967 and served as president of the American Board of Oral Pathology in 1980. He served as president of the American Academy of Oral

Win Dental Hygiene Students National Competition

Congratulations to Tiffany Zimmerman and Carmen Roberts, DH Class of 2010, who won first place for their table clinic, “Banking Tooth Stem Cells: Future Possibilities,” at the 2010 American Dental Hygienists' Association meeting, held June 23-29 in Las Vegas, Nev. Their mentor for the project was Dr. Bonnie Branson, professor, Division of Dental Hygiene.

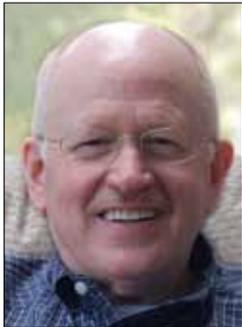

Tiffany Zimmerman & Carmen Roberts
Photo courtesy of the ADHA.

Pathology in 1980-81. From 1978 to 1985 he served as chair of the Council on Dental Education. He served three terms as a member of the UMKC Faculty Senate and two terms as chair of the UMKC Faculty Council. He has been honored as a recipient of the school's Outstanding Teacher Award 26 times and the Distinguished Teacher Award 19 times. The University honored him with the Elmer Pierson Outstanding Teacher award in 1984-85.

To honor Dr. Dunlap's long and distinguished career, a small group of alumni initiated a fundraising campaign. When he was asked what cause he would like to have his name associated with, Dunlap said he would like to help indigent patients at the School of Dentistry. To honor his wishes, an endowment is being established to provide assistance to patients who have acute dental needs but lack financial resources to pay for treatment. This fund, to be held in the Rinehart Foundation, will ensure that the compassion Dr. Dunlap shows for people in need can continue after his retirement, and even after his lifetime.

John Nelson Jr. (DDS '82), president of the UMKC Dental Alumni Association, presented Dr. Dunlap with the award at the Alumni and Friends Recognition Breakfast, held Saturday, March 20, during the 2010 Midwest Dental Conference. The breakfast is hosted by the Rinehart Foundation, the UMKC Dental and Dental Hygienists' Alumni Associations and the School of Dentistry.

Ray Storm (DDS '78)
UMKC Alumni Achievement Award
Dentistry

Dr. Ray Storm heard the call to medicine before he heard the call to duty with the U.S. Navy and the Marine Corps, but his experiences in Vietnam caused him to change directions. During his last tour, Storm met a dentist who suggested that Storm's medical background and interest and ability in art made him a good

candidate for a career in dentistry. The dentist he met was right. Storm has won numerous awards and honors, including several Golden Apple Awards from the American Dental Association, and he was twice named Missouri Dentist of the Year by the Missouri Dental Association.

A community volunteer, Storm has served as president of PATCHES, a not-for-profit dental missionary organization. He also founded and served as president of Give Kids a Smile, an organization that brings quality dental care to the underserved. "To date," Storm says, "we have seen over 8,200 children and have provided over \$3 million in services." Storm also works with his wife in their general practice in St. Peters, Mo.

Dr. Storm was honored with the award at the UMKC Alumni Association's 2010 Celebration Awards Luncheon, held in UMKC's Pierson Auditorium, April 22, 2010. He was among the 16 outstanding alumni and one family recognized for their accomplishments and dedication to society and their alma mater. More than 400 people packed Pierson for the sold-out event, which honored an alumni achievement awardee from each school along with the five campus-wide awardees and Chancellor's Medalist.

Dr. Ray Storm volunteers in Kosovo in 2003.

Caren M. Barnes
UMKC Alumni Achievement Award
Dental Hygiene

Caren Barnes was a senior in the dental hygiene program at Texas Women's University when she spoke with the only person holding a master's degree in Dental Hygiene in the state of Texas. That conversation inspired Barnes to come to UMKC to earn the same master's degree in 1974. Now a professor

and coordinator of clinical research at the University of Nebraska Medical Center College of Dentistry, Barnes also has served as a full professor at the University of Alabama-Birmingham, where she helped develop its dental hygiene program. Among her many honors, Barnes was named the Lincoln Dental Hygienists' Association Dental Hygienist of the Year, and she was presented the Just Phenomenal Hygienist Award from the *Journal of Practical Hygiene* and Johnson and Johnson Oral Health.

She serves on the editorial review boards of several industry publications, and her work has appeared in many dental care and hygiene publications, including several invited manuscripts in *Dental Clinics of North America*, *Wilkin's Clinical Practice*. She also serves the community, volunteering and speaking at dental health events around the country.

Catherine Saylor (DH '05, MSDH '08), president of the UMKC Dental Hygienists' Alumni Association, presented Barnes with the award at the Alumni and Friends Recognition Breakfast, held Saturday, March 20, during the 2010 Midwest Dental Conference. Barnes also was recognized at the UMKC Alumni Association's 2010 Celebration Awards Luncheon, held in UMKC's Pierson Auditorium, April 22, 2010.

These annual awards recognize one alumnus from each academic unit who has achieved notable success in his or her professional field and who has rendered outstanding service to the community.

Message from the Dean

"I am honored to work with such dedicated, high quality individuals on our faculty, staff, and student body."

- Marsha A. Pyle, DDS, MEd

The past 12 months since I arrived at the UMKC School of Dentistry have been a whirlwind as the time has passed so very quickly. As I reflect back on the year past, I can see that it certainly has been marked with change, for the school and for me, personally. I am eternally grateful for the warm welcome I have received from students, faculty, staff, alumni and the dental profession, all valued stakeholders who care deeply about the UMKC School of Dentistry. They have made my transition to UMKC very pleasant. I am honored to work with such dedicated, high quality individuals on our faculty, staff, and student body.

I believe our school has many positive accomplishments and traditions that will continue to make us a leader in dental education for years to come. Traditions that we honored this year included the Scholarship Dinner, where important values such as giving back to the profession and the school were on display as our generous donors and grateful student recipients had the opportunity to meet and learn about each other. Surely, this will be a lasting imprint on the honored students and inspire them to someday emulate the philanthropy of their benefactors. Our alumni have established an impressive legacy at the school with their endowments, but most importantly they have demonstrated their commitment to

and participation in the school's ongoing success. During the year, we also have celebrated faculty accomplishment, benefitted from opportunities to hire new faculty who are the face of the future of the school, and said farewell to some cherished members of our community.

Strong and meaningful traditions need to be part of our heritage because they help move the school to the next phase of its development, growth and accomplishment. Our traditions have helped us prepare for the future as we look to new opportunities that will help upcoming generations of dentists and dental hygienists succeed in the profession that we cherish. I can assure you that the school is a different place than it was one year ago. We are poised to have a significant impact on our program with new faculty, fresh ideas, a sense of inclusion, and a commitment to enhancing the distinguished reputation of the school.

I am thrilled with our progress on a number of strategic initiatives that will help us continue as an excellent, futuristic, innovative place for educating dental professionals. We have begun incredible initiatives to look at our future. As these initiatives progress in their development, I look forward to sharing the excitement and creativity produced by the growth of our program.

Bonnie Branson Receives National Honor Award for Excellence in Dental Hygiene

Dr. Bonnie Branson, a professor in the UMKC Division of Dental Hygiene, was one of three recipients to be honored with the prestigious Johnson & Johnson Healthcare Products/ADHA Award for Excellence in Dental Hygiene. She was presented with the award during the President's Luncheon at the American Dental Hygienists' Association's 2010 Annual Session, held June 27 in Las Vegas, Nev. According to the ADHA, the award "recognizes hygienists who have evidence of active involvement in ADHA and its constituents, exhibit evidence of leadership in and the advancement of dental hygiene experience, provide evidence for the incorporation of any and/or all roles of the dental hygienist to document outstanding accomplishments that have a significant impact on the practice and future of the dental hygiene profession."

As a member of ADHA since 1972, Branson has served the organization in a variety of capacities at the national level and at the state level in Utah, Illinois and Missouri. Currently she is the chair of the ADHA Institute for Oral Health Research Grant Review Committee.

Branson, who holds a doctorate from Southern Illinois University, joined UMKC's faculty in 1998. Previously, she served as a program director for the Weber State University Dental Hygiene Program and director of the College Cooperative Education Program at Southern Illinois University. In addition to her academic duties at UMKC, Branson recently served as the oral health project director for the state of Missouri and headed the Preventive Services Program, which provided 35,000 children with fluoride varnish, education and oral health assessments annually.

ClassNotes

Class of 1955

Dr. Donald Yowell (Delphos, Kan.) retired in May 2009. He remarried in 1988. He spends time fishing, hunting and going to grandchildren's ballgames.

Class of 1960

Dr. Russell Riggs (Rogers, Ark.) is retired, a full-time volunteer, and a newlywed.

Dr. Roderick A. MacDonald (Maple Ridge, B.C., Canada) is retired and still healthy. He enjoys woodworking, golfing and chauffeuring grandchildren.

Dr. James W. Schatz (Springfield, Mo.) retired in 2000. He enjoys volunteering and has seven grandchildren. He says that he putters around and enjoys attending basketball and baseball games. He does genealogy research and has published a book about 300 years of his father's family.

Dr. A.P. Soldan-Els Jr. (Independence, Mo.) retired from the UMKC School of Dentistry in 1996 and is a professor emeritus. During his career he was honored as Instructor of the Year (8 years) Distinguished Teacher (9 years) and received Classes of '94 and '96 Teacher Award. He served as a Lt. Col. in the U.S. Army. He and his wife, Jackie, have been married for 55 years and have two children and five grandchildren.

Dr. Edward J. Lamb (Olympia, Wash.) has been retired since 1999. He is playing a lot of golf and has a hole-in-one about every other year. He spends six months in Washington State and five to six months in Arizona at Sun City West. He RVs and does some boating to Canada and Alaska.

Classes of the 1970's

Dennis Morehart, DDS 1970, (Enid, Okla.) is planning on working several more years in dentistry. He just finished his term on the LGA Council of the AGD. He and Erlene celebrated their 43rd wedding anniversary. His daughter, Tina, is a dentist in downtown Oklahoma City, Okla.

Ron Brown, DDS 1970, (Denver, Colo.) retired from private practice in June 2007. He's been a clinical professor at the University of Colorado School of Dental Medicine for the past two years. He's

been elected into the American College of Dentists, to the Board of Directors of the Metro Denver Society, and to be president of the International Association of Approved Basketball Officials. He still referees high school basketball.

Richard Hines, DDS 1975, (Leawood, Kan.) specializes in periodontics. He completed his residency at the VA Med Center in Leavenworth, Kan., in 1982. He completed board certification for Diplomat status in 1987. He has four children (Amy, Chris, Ryan and Lauren) and four grandchildren. **Edwin R. Schertzer**, DDS 1975, (St. Louis, Mo.) practices with his son, David Schertzer (DDS '03) and has four grandchildren. He enjoys boating and travel.

Robert G. Fox, DDS 1975, (Cape Girardeau, Mo.) proudly reports that his son, Jim, graduated from UMKC with his DDS degree in May 2010 and is joining him in practice so he can semi-retire later in 2010.

Susan Kaiser, RDH 1978, (Fulton, Mo.) reports that her husband is retired from the Dept. of Corrections. She collects painted-label soda bottles from the late 1930s to 1950s. She has been on two cruises to the Caribbean.

Classes of the 1980's

Donna K. (Davidson) Gardner, DDS 1980, (Overland Park, Kan.) and her husband, John, celebrated their 28th wedding anniversary in February 2010. They're all well and continue to be active in their church and community. Their daughter Erin and her husband, David, are expecting twins in July 2010. Their daughter Kyle gave birth to their first grandson, Braxton Lee, in May 2008. Their son, Sean, is at UMKC as a pre-dental student.

Michael LaBoube, DDS 1980, (Knob Noster, Mo.) is serving active duty in the U.S. Air Force at Whiteman AFB, Mo.

R.J. Tippin, DDS 1980, (Newton, Kan.) and Mary Ellen Tippin are enjoying the "grandchildren season" with their four grandchildren. Three of their five children are married. R.J. thinks dentistry is still fun!

Timothy D. Larson, DDS 1980, (St. Charles, Mo.) and Carol have been married 33 years. He is the Clinical Regional Director of Operations for Heartland Dental Care. He is still practicing, learning and now teaching.

Shanon T. Kirchhoff, DDS 1985, (Cape Girardeau, Mo.) is past president of the MDA. He is a member of DMORT, a federal team of forensic odontologists. He is still practicing orthodontics. He likes to travel and camp. Harley riding and scuba diving are ranked as his favorite things to do. He is married to Jennifer and has a daughter, Clara.

Classes of the 1990's

Paul D. Mabe, DDS 1990, (Gardner, Kan.) and his wife, Yvette (DH '91), have been married 19 years. They have two girls: Lauren (17) and Julia (12). He has been in practice 20 years in Gardner (www.gardnerdentalcare.com). They have enjoyed winters in south Florida since 2000.

Chris Buttner, DDS 1990, (Albuquerque, Ariz.) is still practicing in Albuquerque and has two beautiful children, ages 8 and 11. Chris will be the Alumni Board President in 2011.

Kerin L. Burdette, DDS 1995, (Omaha, Neb.) completed advanced education in pediatric dentistry at the University of Nebraska Medical Center in June 2010.

Stephanie Altenburg, DDS 1995, (Kansas City, Mo.) bought the Barry Road Dental Office in 2004 and practices with her husband, Tim. Their boys, Jonah (15) and Lucas (11), received their black belts in Tae Kwon Do. They love to travel as a family.

Michael Rollert, DDS 1995, (Denver, Colo.) is a member of the Board of Directors of the American Dental Society of Anesthesiology. He also is a member of Atoms Committee on Anesthesia.

Classes of the 2000's

Kaci B. Jensen, DDS 2000, (Boise, Idaho) married Kirk Jensen on Nov. 7, 2009.

Pete Spalitto, DDS 2000, (Kirkwood, Mo.) has a general practice in Des Peres, Mo. He has been in practice for five years since being discharged from the U.S. Army. His family includes his wife, Susan, and their three children: Olivia (5), Anna (3) and Henry (7 months).

Laura Merritt Menees, DDS 2000, (Lawrence, Kan.) married Ryan Moore in 2007. Their daughter, Nico Jeanne Moore, was born in August 2007.

Jeff Barlow, DDS 2000, and Emily Barlow, DDS 2000, (Merritt Island, Fla.) are married and have two children: Jake (3) and Addison, born Oct. 22, 2009.

Darren W. Mahaffey, DDS 2005, and Sarah L. Mahaffey, DDS 2005, (Springfield, Mo.) announce that Sadie Ann was born August 31, 2009. Darren was named New Dental Leader for 2009 by the MDA.

Mariah Frazier, DDS 2005, (Wichita, Kan.) and her family moved to Wichita in December 2007. They are enjoying it very much as they are close to family. They have two boys: Grant (2 ½) and Cade (1). Her husband, Lance, works as a corporate pilot, and she gets to work with Crystal Walker. In the fall of 2009, she became a board certified pediatric dentist.

Jennifer Williams Tinnel, DDS 2005, (Kansas City, Mo.) had a 9 lb. 3 oz. baby boy named John Jack on June 15, 2009.

Jamie Smiley, DDS 2005, (Overland Park, Kan.) has been married for seven years and has a two-year-old daughter named Taylor. She practices in Overland Park.

Kerri Thompson, DDS 2005, (Emporia, Kan.) has a three-year-old daughter, Regan Olivia Thompson, and another daughter born on December 29, 2009.

Brett Wilson, DDS 2005, (Joplin, Mo.) completed a four-year military tour in the U.S. Army with assignments at Fort Sill, Okla., Grafenwoehr, Germany, and Iraq. He moved back to the states in August '09 and has been practicing in Joplin since. His wife, Sara, is expecting (their first) in June.

Lori Adell, DDS 2005, (Sikeston, Mo.) gave birth to Kadison Paige, September 6, 2007. Lori is an adjunct faculty member at Arizona School of Dentistry and Oral Health.

John Batson, DDS 2005, (Whispering Pines, N.C.) is completing an oral surgery residency at Womack Army Medical Center, Ft. Bragg, N.C.

Chris Leiszler, DDS 2005, (Lawrence, Kan.) started a practice in Baldwin City, Kan., just over two years ago. He and his wife, Anne-Marie, live in Lawrence. They welcomed their first child, Harrison, into the world June 1, 2009.

Thomas A. Ebersole, DDS 2007, (Parsons, Kan.) and his wife, Sadie Ebersole, RDH, BS, welcomed their first child, Alden Cash Ebersole "Ace," into the world Sept. 12, 2009.

Class Reunions & Share Nostalgia & News

Class of 1950

Class of 1960

Class reunions have always been one of the most popular features of the annual Midwest Dental Conference. This year was no exception. Classes celebrating reunions at the 2010 Midwest Dental Conference included:

- Class of 1950 — 60th reunion
- Class of 1960 — 50th reunion
- Class of 1965 — 45th reunion
- Class of 1970b — 40th reunion
- Class of 1975 — 35th reunion
- Class of 1980 — 30th reunion
- Class of 1985 — 25th reunion
- Class of 1990 — 20th reunion
- Class of 1995 — 15th reunion
- Class of 2000 — 10th reunion
- Class of 2005 — 5th reunion

mdc

Midwest Dental Conference

Four days of friendship, learning and laughter seems to be the common thread that runs through the annual meeting of the Midwest Dental Conference. More than 3,700 people, including 2,000 dental professionals, enjoyed the weekend at the 2010 conference, March 18-21. Hosted by the UMKC Dental and Dental Hygienists' Alumni Associations, 2010 offered attendees fifteen scientific sessions, more than 100 technical exhibits and variety of parties, dinners, reunions and receptions.

The next conference
is April 7-10, 2011

Graduation Commencement 2010

Tears and cheers were the order of the evening as 151 graduates crossed the stage to receive their degrees during the School of Dentistry's 2010 commencement, held Sunday evening, May 9. UMKC Chancellor Leo Morton, Dean Marsha Pyle and other dignitaries conferred 27 Bachelor of Science in Dental Hygiene degrees, 96 Doctor of Dental Surgery degrees, 19 Graduate Dental Certificates, five Master of Science in Dental Hygiene degrees, one Master of Science in Oral Biology degree, and three Interdisciplinary Ph.D. degrees. This year included an emotional addition to the proceedings as parents who are themselves graduates of the UMKC School of Dentistry handed their respective graduating sons or daughters their diplomas.
